

13" INDUSTRIAL BANDSAW

2 WAY SWIVEL HEAD SEMI-AUTOMATIC METAL CUTTING INDUSTRIAL BANDSAW

■ 2 Way Swivel Head Semi-Automatic Machine creates 0 to 60 degree mitre cuts both left and right

■ Quality robust construction designed to give long service life in demanding industrial workplaces

- 2 Way Swivel Head creates 0 to 60 degree mitre cuts both left and right
- Fully Featured Electronic Controlled Semi Automatic Machine.
The hydraulic vise closes clamping the material, head lowers & returns, the vise re-opens
- Incorporated recirculating coolant system
- Variable transmission and digital blade speed indicator
- Chip brush to help prevent blade breakage
- Vise pressure adjusting valve for cutting softer and hollow material
- Chip collection tray for ease of cleaning
- Bandsaw comes complete on stand with blade

TECHNICAL INFORMATION

Part No.	UE331DSA
DESCRIPTION	13" 2 Way Swivel Head Industrial Bandsaw
BLADE SIZE	34mm x 1.1mm x 4180mm
BLADE SPEED	Variable speed 26-80mpm
MOTOR	Three Phase (415volt) 3HP
WEIGHT	1000kg
BED HEIGHT	795mm

CUTTING CAPACITY

Right & Left	<input type="radio"/>	<input type="checkbox"/>	<input type="checkbox"/>
90 Degrees	330mm	-	320 x 485mm 260 x 510mm
45 Degrees	315mm	315 x 315mm	330 x 280mm
60 Degrees	215mm		195 x 315mm
