

Star Touch Up Guns

Ideal for custom designing, auto touch-up work, detail spray work and stencil spraying

Part Number	SJ108	S106T-08G
Nozzle Size	1.4mm	0.8mm
Required Pressure	30-50PSI	30-50PSI
Air Consumption	2.8-4cf/m	3.8-5.5cf/m
Spray Pattern	120mm	95mm
Pot Capacity	250mL	130mL

Star Replacement Parts

*S770 CE Series parts suit guns with CE marked into the body of the spray gun.

Part Number	Description
SCE770-1-10	1.5mm Fluid Needle To Suit Star S770 CE Series only
SCE770-1-2	1.5mm Fluid Nozzle To Suit Star S770 CE Series only
SCE770-2-10	1.7mm Fluid Needle To Suit Star S770 CE Series only
SCE770-2-2	1.7mm Fluid Nozzle To Suit Star S770 CE Series only
SCE770-3-10	2.0mm Fluid Needle To Suit Star S770 CE Series only
SCE770-3-2	2.0mm Fluid Nozzle To Suit Star S770 CE Series only
SCE770-4-10	2.5mm Fluid Needle To Suit Star S770 CE Series only
SCE770-4-2	2.5mm Fluid Nozzle To Suit Star S770 CE Series only
SCE770-5-10	3.0mm Fluid Needle To Suit Star S770 CE Series only
SCE770-5-2	3.0mm Fluid Nozzle To Suit Star S770 CE Series only
SCE770-3-14AF	Air Adjust Valve Set To Suit Star S770 CE Series only
SCE770-3-5AF	Spreader Adjusting Valve Set To Suit Star S770 CE Series only
SCE770-3-7	Needle Valve Guide To Suit Star S770 CE Series
S770/POT	1 Litre Pot to suit S770 / S770 CE Series
S770-1-1	1.5mm Air Cap to suit S770 / S770 CE Series
S770-1-10	1.5mm Fluid Needle to suit S770
S770-1-2	1.5mm Fluid Nozzle to suit S770
S770-2-1	1.7mm Air Cap to suit S770 / S770 CE Series
S770-2-10	1.7mm Fluid Needle to suit S770
S770-2-2	1.7mm Fluid Nozzle to suit S770
S770-3-1	2.0mm Air Cap to suit S770 / S770 CE Series
S770-3-10	2.0mm Fluid Needle to suit S770
S770-3-2	2.0mm Fluid Nozzle to suit S770
S770-4-1	2.5mm Air Cap to suit S770 / S770 CE Series
S770-4-10	2.5mm Fluid Needle to suit S770
S770-4-2	2.5mm Fluid Nozzle to suit S770
S770-5-1	3.0mm Air Cap to suit S770 / S770 CE Series
S770-5-10	3.0mm Fluid Needle to suit S770
S770-5-2	3.0mm Fluid Nozzle to suit S770
S770-3-7P	Pot Gasket to suit S770 / S770 CE Series
S770-3-4P	Baffle (S115) to suit S770 / S770 CE Series
S106/POT	600ml Pot to suit S106/SV106
S810-06	Pot Gasket to suit 2 litre Pot
S810-09	2 litre Pot
S770-2QPHOSE	2 metre Hose Set to suit 2 litre outfit
S770-10QPHOSE	3.5metre Hose Set to suit 10 litre outfit
S770-2QPGUN	Gun Only To Suit 2L & 10L Spray Outfit

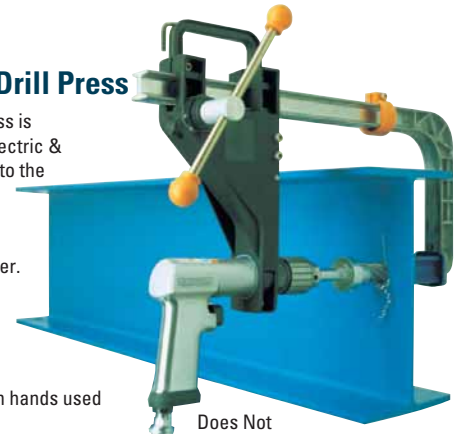

Drillmate Portable Drill Press

The Drillmate portable drill press is a unique design for use with electric & pneumatic drills, that attaches to the workpiece & assists in ensuring even pressure is correctly applied to the cutting edge of the drill or annular cutter.

Ergonomics-
Easier drilling of materials with comfortable stance

Safety-
Safer drilling of materials - both hands used

Productivity-
Faster and more economical production of holes.

Does Not Include Drill

Part Number	Description
DM100A	Portable Hand Held Drill Press
DM1-09	Work Table to suit Drill Mate

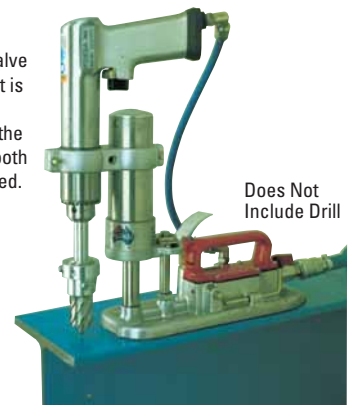

Vacforce 2000 - Vacuum Base Drill Press

The Vacforce 2000 consists of a vacuum base to clamp to the surface of the material and an air feed cylinder to push the cutting tool through the cut with less effort by the operator. It also incorporates a safety valve which prevents operation unless the unit is locked to the surface.

Due to the design, the surface to which the unit will adhere does not have to be smooth & flat. Surface imperfections are tolerated.

Capacity
63mm Diameter X 5mm Depth
26mm Diameter X 20mm Depth

Dimensions
Length: 280mm
Width: 89mm
Height: 280mm
Weight: 2.7kg

Does Not Include Drill

Part Number	Description
DMVAC2000	Vacforce 2000 Vacuum Base Drill Press
