

Industrial Welding Clamps

Heat Treated Forged Steel For Maximum Durability
 Nickel & Chrome Plating For High Corrosion Resistance
 Suitable For a Diverse Range Of Applications

SELF ASSEMBLED DEEP THROAT CLAMP

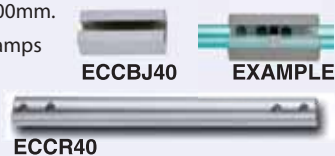

The Post Rail & Arms are purchased separately to create a clamp that best suits your needs. Multiple Arms can be attached to the Post Rail, as uniform rail size allows use of all arms on all post rails.

Part No.	Span	RAIL SIZE
POST RAIL		
ECPR36040	400mm	36 x 18mm
ECPR36060	600mm	36 x 18mm
ECPR36080	800mm	36 x 18mm
ECPR36100	1000mm	36 x 18mm
FIXED AND SLIDING ARM SET		
ECDSFAT363	300mm	36 x 18mm
ECDSFAT364	400mm	36 x 18mm
ECDSFAT365	500mm	36 x 18mm
SLIDING ARM		
ECDSAT3630	300mm	36 x 18mm
ECDSAT3640	400mm	36 x 18mm
ECDSAT3650	500mm	36 x 18mm

JOINT BLOCK & CONNECTING ROD

Extend your clamping span by 1000mm.
 Suitable for use with all Ehoma Clamps
 with the equivalent rail size

Part No.	Length	Rail Size
JOINT BLOCK		
ECCJB27		To Suit 27 x 13mm Rail
ECCJB30		To Suit 30 x 15mm Rail
ECCJB40		To Suit 40 x 20mm Rail
CONNECTING ROD		
ECCR27	1000mm	27 x 13mm
ECCR30	1000mm	30 x 15mm
ECCR40	1000mm	40 x 20mm

EHOMA DISPLAY STAND

The Display Stand will be provided with a stock order comprising the following Ehoma Clamps. The Display Stand remains the property of ITMS. The Display Stands solid construction allows for a large range of different clamps to be stored & displayed in such a way as to promote impulse sales. Large castor wheels with brakes allow for ease of maneuverability.
